DETAILED ACTION

The reply filed on 9/30/03 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant has not answered election requirement from May 16, 2003. Applicant has amended the specification and the claims however applicant has not actually elected a species as set forth in the election restriction. Additionally with the amended claims there still is a need for an election of species between figures 1, 7, 11, and 15. Applicant is again asked to respond to the restriction requirement from May 16, 2003. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. Applicant may not be granted any extension of time since the election restriction was mailed on May 16, 2003 and the response time (with extensions) expires November 16, 2003 or one month from the mailing date of this letter.
